4. The Beneficiaries must keep the original documents. Digital and digitised documents are considered originals if they are duly recognised as such and/or admissible under the applicable national law. 2. The Beneficiaries undertake that all work performed under the %Sub-grant ProjectAcronym% project shall be carried out exclusively within the scope of this Agreement and shall not be supported or funded by any other EU budget line. The Beneficiaries shall use the awarded budget solely to cover activities directly related to the %Sub-grant ProjectAcronym% project. However, where specific activities exceed the available budget under this Agreement, the Beneficiaries may secure and utilize additional sources of financing, provided that such complementary funding is clearly distinguished from the sub-grant contribution and duly documented. In such cases, the Beneficiaries must ensure transparent allocation of costs, explicitly identifying in the project documentation which expenses are covered by the sub-grant and which are financed from other sources, thereby avoiding any risk of double financing.

Article 5 - Liability

5.1 Liability of the Beneficiaries

1. The Beneficiaries are fully responsible for the proper implementation of %Sub-grant ProjectAcronym% and in compliance with this Agreement.
2. Except in case of force majeure (Article 8), the Beneficiaries must compensate F6S for any damage they sustain because of the implementation of the obligations of the Beneficiaries under this Agreement or because the obligations were not implemented in full compliance with this Agreement.

1. To the extent acceptable under applicable law, in no event shall the F6S or other TASC-RestoreMed consortium partners be liable to the Beneficiaries for loss or damage caused by F6S or the TASC-RestoreMed consortium partners, their employees, agents and subcontractors in connection with this Agreement for any of the following, however caused or arising, on any theory of liability, and even if F6S and/or any other TASC-RestoreMed consortium partner were informed or aware of the possibility thereof:

- The exclusions and limitations stated in this Article and any other clause of this Agreement that has as its object or effect the exclusion or limitation of liability, shall not apply in respect of any: fraud; death, injury to natural persons or damage to real or immovable property caused by the negligence or wilful act, wilful misconduct, wilful breach; or otherwise in so far as mandatory applicable law overrides such exclusions and limitations.

Article 6 - Confidentiality

1. The Parties shall protect confidential information of whatever nature or form as is disclosed between the Contracting Parties in connection with the sub-granted project. The information identified as confidential should be provided in writing.

3. The results developed during the sub-granted project shall be exclusively the property of the Beneficiaries. This does not exclude the possibility for specific agreements to be made between the Beneficiaries and one or more of the partners of TASC-RestoreMed consortium.

Article 8 - Force Majeure

1. 5. Amendments and modifications to the text of this Agreement require a separate written agreement to be signed between all Parties.
